any town teday the country over, but it is not so easy to find the right sizes of the beauty spots of the country over, but it is not so easy to find the right sizes of the beauty spots of the country.

Scenic attractiveness and picturesqueness have a national and even international is jealously guarded by the board of selectmen and it is promised that action reputation.

A splengua reconstance in Killingly was made during January. Only two persons were presented in court here during that period.

Killingly's board of relief begins its remeions today and the members will be here. weeks ago.

Monday afternoon at 1 e'eleck, funeral services for Mrs. Angle Warren Perkins were conducted by Rev. Walter B. Wil-liams of the Westfield Congregational hurch at the home of Mr. and Mrs. Ersest R. Warren, on Hawkins street. Bur-al was in the Warren family emestery at Killingly Center. A. F. Wood was in harge of the funeral arrangements.

reveal any information that would conribute toward clearing up the mystery of the circumstances surrounding the case of Mrs. William A. Flemming, of Norwich. Public service drivers here do not recall having had as a fare any woman answering Mrs. Flemming's description, but it is believed that she was in Danielson or in this vicinity at least a part of her coming to Putnam. One theory is the time that has not been accounted for by officials who have been looking into the case.

A reduction in the wage scale approxi-mating 22 1-2 per cent became effective Monday at the plant of the Assawaga Woolen company in Dayville. This plant is running on a full time schedule, as has been the case for the past six weeks. The wage reduction is in line with the new and lower rates recently announced by woolen and worsted mills that operate throughout New England. Cutting of ice at Quinebaug lake was not undertaken Monday morning as had been planned owing to the weather conditions of the preceding 24 hours. It is in this city. Another straw that points

ikely that operations may be undertaken this morning, however. H. J. Burbank, who for the past 45 years has been with the Quinebaug company, for 40 years as master mechanic, has tendered his resignation, to be effective a week from next Saturday. Mr. Burbank are the Court of the Court of

bank came to the Quinebaug company

In 1876, and has been uninterruptedly with the concern since that time. For the first period of about five years he was the second hand of the machine shop and then succeeded to the position of master mechanic, which he has filled to the utmost satisfaction of the company throughout his entire period of service.

Bulletin telling of her disappearance is taken as indicating that she was keeping in touch through this paper with what was being said about her case in Northead was being said Mr. Burbank has always been regarded as one of the most able men in a similar position in New England and on Monday

Agent J. F. Gardner, Jr., paid a gen-erous tribute to his worth. Mr. Burbank will be succeeded by George Robertson, formerly of Jewett

City, who has been with the Quinebaug company in the machine department for

Mr. Benoit said Monday morning that cess, it is stated. he had reason to go to the garage about 10 o'clock Saturday night and as he neared the structure smelled smoke. Unclocking a door he entered and found the smell of smoke stronger. Hurriedly looking about he established that the smoke of the appropriations committee of the sagment to be coming from the next side. of the building, and saw a tongue of flame voting their attention to income tax mat-

of its being very quickly extinguished, bus the affair assumes unusual import. The reance, on account of the incendiary ori- Thomp

the fire was started. Some of the machines were new closed models that never had been in service. Others are

Mrs. George Miles of Pomfret has gone er had been in service. Others are owned by private parties and were in the garage, which is a service station, for overhauling.

One of the rare opportunities this win-

is apt to be visited frequently during the evening by members of the firm or their employes.

The attempt of firing the big struc-ture, which formerly was Joy's stable and is located in the heart of the city, was regarded on Monday as the work of crim-inal reckless of consequences and will ing to visit loss not only on the owner

The Best Cough Syrup is Home-made.

Here's an easy way to save \$2, and yet have the best easy's remedy you over tried.

CONTROL OF THE PROPERTY OF THE You've probably heard of this welltouve probably heard of this well-known plan of making cough syrup at home. But have you ever used it? Thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will soon earn it a permanent place in your home.

place in your home.

Into a pist bottle, pour 2½ cunces of Pinex; then add plain granulated eugar syrup to fill up the pint. Or, if desired, use clarified moissnes, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready-made for three times

It is really wonderful how quickly It is really wonderful how quickly this home-made remedy conquers a cough usually in 24 hours or less. It seems to penetrate through every air passage, lossens a dry, hearse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for threat and cheet admeats.

To avoid disappointment ask your druggist for "21/4 ownces of Pinex" with directions, and don't accent anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Pt. Wayne, Ind.

skilled mechanic of wide experience. The bedy of Luther James, 47, who died Saturday in Providence: is to be brought to Putnam fer burial. Mr. James was a son of Mr. and Mrs. Newman W. James, formerly of this place, of which he was a native. He had been away from Danjelson, where he was engaged in the grocery business, for about twenty years. While resident in Providence he had been interested in the grocery business and more recently in the loe business and more recently in the loe business.

a number of years. Mr. Robertson is

busy with their duties throughout the month.

Excepting for the tire fabric mills, the textile situation in this town is materially improved. Reports of improvement also are coming in from other nearby

towns, netably Moosup, where there is more activity in the cotton and thread plants.

W. H. Kneeland of Pine street has heen greatly troubled with rate recently. He resolved to get rid of them and took such effective measures that he disposed of them at the rate of one a day. Satur-day last he made the bait and trap so that two were caught at once.

Mrs. Raymond Lyman, at one time teacher at the school on the Green, was engaged by School Supervisor F. W. Perer to take charge of the school until Miss Marion Holmes could resume her

School Superioser F. W. Porter was in town visiting schools Friday. He stated that in some of the schools, among a portion of the pupils, there has been a growing disposition - to defy all law and order, also the authority of the teacher. One day last week the teacher of the Pine street school had occasion to punish a pupil for breaking the rules. Later the child's mother visited the school and the supervisor states used very abunive language to the teacher, which is against the law. Mr. Porter is determined that the laws and regulations regarding the schools shall be obeyed. Marion Holmes, who has been ill and

at home during the past two weeks, has recovered and resumed her duties at the Center school Monday last. The weather was so fine last week that those in town who have icehouses and could get the requisite help filled them. Raymond Clarke put in 450 cakes. 12 inches thick from his own pond. Others who filled houses were H. W. Porter, Erwin Collins. Madison Woodward, Mrs. William P. Johnson, Claire Robinson and
